

BUILD A LITTLE SNOWMAN

Build a little snowman, starting with his feet.

Put on lots of snow, and pat it all so neat.

Then make a round ball, and put it up on top.

Then the sun will come out,

and make this snowman hot.

(I'm a Little Teapot)

I Built a Little Snowman

I built a little snowman.

He had a carrot nose.

Along came a bunny.

And what do you suppose?

That hungry little bunny,

Looking for his lunch,

Ate the snowman's nose.

Nibble! Nibble! Crunch!

FIVE LITTLE SNOWMEN

Five little snowmen, sitting in a row,

Each with a hat

And a bright red bow.

Five little snowmen dressed for a show.

Now they are ready. Where will they go?

Wait till the sun shines,

Soon they will go.

Down through the field with the melting snow.

I Am a Snowman

I am a snowman, cold and white.

I stand so still all through the night.

I have a carrot nose way up high,

And a lump of coal to make each eye.

I have a muffler made of red,

And a stovepipe hat upon my head.

THE SNOW

This is the way the snow comes down,
Upon a winter day,
But soon the golden sun comes out,
And melts it all away.

THE SNOWMAN RAN AND RAN

The snow, snow, snowman
Came out to play.
But the children cried, Get back inside
The sun is out today.

The snow, snow, snowman
Started to run away
But when the he ran, he ran and ran
Until a puddle lay.

IT IS SNOWING

It is snowing, it is snowing

All around, all around

Soft and quiet snowflakes

Soft and quiet snowflakes

Not a sound, not a sound.

(Jacques)

BUILD A SNOWMAN

Build a snowman, build a snowman

Big and round, big and round,

Sun is shining on him

Sun is shining on him

He's all gone, he's all gone.

(Frere Jacques)

SNOWFLAKES FALLING DOWN

Snowflakes falling down,

Falling on the ground.

Great, big white flakes

That do not make a sound.

(Row, Row, Row Your Boat)

SNOWFLAKES FALLING FROM THE SKY

Snowflakes falling from the sky,

from the sky,

from the sky

Snowflakes falling from the sky, to the earth below.

Watch them as they dance and whirl,

dance and whirl,

dance and whirl

Watch them as they dance and whirl,

soft white winter snow.

(Mary Had a Little Lamb)

SLIDING

Crunch, crunch, crunch, crunch, crunch,

Up the hill we go---

Sliding, sliding, sliding, sliding

Down the hill we go.

(Row, Row, Row, Your Boat

SNOWFLAKES

Snowflakes, snowflakes

Dance around

Snowflakes, snowflakes

Touch the ground

Snowflakes, snowflakes

In the air

Snowflakes, snowflakes

Everywhere

(Twinkle, Twinkle Little Star)
